Other

1. The Prosecution hereby submits its application pursuant to Rule 81(2) of the Rules of Procedure and Evidence (“the Rules”) for redactions to the metadata of documents that are material for the preparation of the defence within the meaning of Rule 77.

I. Procedural History

2. On 7 April 2011, the Single Judge rendered the “Decision Setting the Regime for Evidence Disclosure and Other Related Matters” (the “First Decision”), establishing the modalities according to which the parties would execute disclosure.¹
3. On 20 April 2011, the Single Judge issued the “Decision on the ‘Prosecution’s application requesting disclosure after a final resolution of the Government of Kenya’s admissibility challenge’ and Establishing a Calendar for Disclosure Between the Parties” (“the Second Decision”).² The Single Judge ordered the Prosecution, *inter alia*, to disclose to the Defence any items that are material for the preparation of the defence subject to inspection within the meaning of Rule 77 of the Rules, as soon as practicable and on a continuous basis.³

II. Request for Confidentiality

4. The Prosecution requests that the unredacted version of this Application and its annexes be received by the Single Judge as “Confidential, *ex parte*, Prosecutor only” as these documents relate to information that is currently confidential and *ex parte* or contain information for which redactions are sought, the disclosure of which would defeat the purpose for which the redactions are requested.

III. Submissions

¹ ICC-01/09-01/11-44.

² ICC-01/09-01/11-62.

³ ICC-01/09-01/11-62, para. 21.

5. According to Rule 77, the Prosecution shall, subject to restrictions on disclosure as provided in the Rome Statute and Rules 81 and 82 of the Rules, permit the Defence to inspect any books, documents, photographs and other tangible objects in the Prosecution's possession or control, which are, *inter alia*, material to the preparation of the Defence.
6. Rule 77 is, on its face, subject to Rule 81(2), by which the Prosecution may request, and the Chamber may authorize, the non-disclosure of information where such disclosure would prejudice further or ongoing investigations.
7. In its "First Application Pursuant to Rule 81(2) and Rule 81(4) for Redactions to Statements of Witnesses and Related Materials to Be Relied Upon at the Confirmation Hearing" ("First Application"), the Prosecution set forth the legal and factual bases for seeking redactions pursuant to Rule 81(2) and incorporates them by reference.⁴ The Prosecution requests that the Chamber apply the same rules to this Application.
8. Here, as indicated in Annex A, the Prosecution requests the Chamber to authorize the redaction of the names of the following Prosecution investigators and analysts from twelve documents' "Chain of custody notes" metadata:

- (i) [REDACTED]
- (ii) [REDACTED]
- (iii) [REDACTED]
- (iv) [REDACTED]
- (v) [REDACTED]

⁴ ICC-01/09-01/11-96-Conf-Exp, paras. 38-44.

9. The Prosecution has previously requested,⁵ and the Chamber has previously authorized,⁶ the redaction of the names listed in (i)-(iv). The fifth person also conducts sensitive investigative work related to this case.
10. The Prosecution proposes to redact the same information from the material disclosed to all three suspects.
11. As these documents were all collected from public sources, the Prosecution does not request any redactions to the documents themselves.

Relief

12. In light of the foregoing, the Prosecution requests that the Chamber approve the proposed redactions.
