II. Procedural history

2. On 11 October 2017, Trial Chamber I ("Chamber") adopted the following procedure for the submission of applications for resumption of action: 1) when a participating victim dies, the legal representative of the victims ("LRV") informs the Victims Participation and Reparations Section ("VPRS"); 2) VPRS has then to amend the consolidated list of participating victims ("List") accordingly, and to file an updated List in which any granted resumption of action must be reflected at least twice per calendar year until the conclusion of the proceedings before the Chamber;² 3) VPRS should also transmit these applications for resumption of action, including the necessary supporting materials, to the Chamber and, at the same time, to the parties in a redacted version as necessary.³
3. So far, the Registry transmitted two updated consolidated list of participating victims in the record of the Case.⁴
4. On 9 November 2018, the LRV informed the VPRS of the death of 10 participating victims in the Case,⁵ and transmitted to the VPRS documents
