- 32 PN: OK, thank you. Good, Hillary ... uhm ... in your story, yesterday, you got to the point where
- 33 you were explaining that ... hmm ... KONY had ... hmm ... stated he was going to release ...
- 34 Interviewee: OTTI LAGONY.
- 35 PN: OTTI and LAGONY, OTTI LAGONY.
- 36 Interviewee: Yes.
- 37 PN: And so perhaps you could start again from that point and we will just carry on listening to
- 38 your story.
- 39 Interviewee: Yes.
- 40 PN: Thank you
- 41 Interviewee: Yes Sir. Yes, you see, by the time when they take OTTI.
- 42 Interpreter: Lok ento pe oyot oyot tutwal.
- 43 Interviewee: Yes.
- 44 Interpreter: Pien gitye kacoc bene.
- 45 Interviewee: Yes.
- 46 CC: Can you translate that?
- 47 Interpreter: What ... what I was telling him was not go too fast, go slowly but we are also taking
- 48 notes.
- 49 PN: OK.
- 50 Interviewee: Yes, by the time when they take OTTI LAGONY plus Lieutenant Colonel Fred CAN
- 51 ODONGA.
- 52 PN: Hmm ... hmm.
- 53 Interviewee: He said that those people they should be released. So, he prepared two sections of
- stand-by. One, should, go ahead and lay an ambush.
- 55 PN: Hmm ... hmm.
- 56 Interviewee: And another, the second group, were to escort OTTI LAGONY with his fellow
- 57 commander Fred CAN ODONGA. So, they went ahead and laid an ... an ambush ...
- 58 PN: Hmm ... hmm.

2 ICC Restricted

- 59 Interviewee: ... ahead, LAGONY with his follow commander, they don't know that, that amoush
- 60 so they were walking while they were tied like this [gestures]. So [silence] yes. So they get an
- 61 order," Piga magotif So that order which they gave that OTTI LAGONY and his fellow commander
- 62 should" Piga magoti", the ambush was there.
- 63 **PN**: Hmm ... hmm.
- 64 Interviewee: The ambush of those advance party. Yes.
- 65 CC: Those, I'm sorry, those ...?
- 66 Interpreter: Eh ... kong...
- 67 Interviewee: You see. He sent some groups, two groups.
- 68 CC: Who is the he, who is the he?
- 69 Interviewee: Two groups.
- 70 **CC**: Who sent ...?
- 71 Interviewee: KONY.
- 72 CC: OK.
- 73 Interviewee: One group was escorting OTTI LAGONY and another group; they should go an lay
- 74 an ambush.
- 75 PN: Yeah.
- 76 Interviewee: So, if they give an order that OTTI LAGONY should, "Piga Mogoti" meanwhile, that
- 77 was meaning the order of firing.
- 78 PN: OK.
- 79 Interviewee: So, they pick, they Figa magoti while those who are in ambush ... the first group,
- 80 advance party ...
- 81 **PN**: Hmm ... hmm.
- 82 Interviewee: ... they shoot OTTI LAGONY and some others, they shoot Fred CAN ODONGA.
- 83 **PN**: Hmm ... hmm.
- 84 Interviewee: Yes.
- 85 CC: OK. I think I don't mind to get the fan out.
- 86 Interviewee: So they left them like that.

- 87 PN: OK.
- 88 Interviewee: They go back to KONY.
- 89 PN: Hmm... hmm.
- 90 Interviewee: Then KONY, preaches people. He called all of the forces of LRA who were there in
- 91 s... in LUBANGA... in JEBELAIN, NSITU ...
- 92 PN: Hmm... hmm.
- 93 Interviewee: ... some were there, in the front line ... forty two miles ... I mean ... yes, forty seven,
- 94 they call it forty seven, because from Juba to that point, that front line ...
- 95 PN: OK.
- 96 Interviewee: ... they call it forly-seven.
- 97 PN: OK.
- 98 Interviewee: Yes, he called all of ...
- 99 PN: Hmm ... hmm.
- 100 Interviewee: ... those stand by and he starts preaches, "Now, those who doesn't want to ... those
- 101 who don't want to fight, I will release them as I released Brigadier OTTI."
- 102 CC: Who said that? You have to keep saying who was doing this. Who said that?
- 103 Interviewee: KONY.
- 104 CC: OK.
- 105 Interviewee: Preaching all of the LRA members who were there in Sudan.
- 106 PN: OK.
- 107 Interviewee: That he had released LAGONY.
- 108 PN: Hmm ... hmm. OK.
- 109 Interviewee: Yes, but by the time when he released LAGONY to be a civilian, UPDF got
- 110 LAGONY on the way and killed LAGONY, but not he himself.
- 111 PN: Hmm ... hmm.
- 112 Interviewee: This is the KONY's words; his speeches.
- 113 PN: OK.

ICC Restricted

- 114 Interviewee: He said that the UPDF were the one who killed OTTI LAGONY because he
- 115 released OTTI LAGONY to go to his normal ... rural area ... but UPDF was the one who killed
- 116 him. So, anyone who don't want to fight or doesn't want to commit atrocity will be released like
- 117 LAGONY.
- 118 PN: Hmm ... hmm.
- 119 Interviewee: So, during that period, I went to KONY, me myself. I wrote a sheet of paper like this,
- 120 three p... sheets of paper.
- 121 **PN**: Hmm ... hmm.
- 122 Interviewee: That, with such thing, "If you are fond of doing these things, you will loose your
- 123 force."
- 124 PN: Hmm ... hmm.
- 125 Interviewee: Hmm... this is what I wrote in a letter in three sheets of paper. I gave to him.
- 126 PN: Hmm ... hmm.
- 127 Interviewee: And on top of that one, during that period he selects, he picks many, many women.
- 128 Sometime they said that those women, they are fond of killing people with poison.
- 129 **PN**: Hmm ... hmm.
- 130 Interviewee: So he gave an order; all of the women were shot. They faced firing squads; the
- 131 same period.
- 132 **PN**: Hmm ... hmm.
- 133 Interviewee: And during that month, that period, again, he took three to four officers including
- 134 one captain called OCEN Adam.
- 135 PN: Hmm ... hmm.
- 136 Interviewee: That they wanted to surrender to the UPDF, all of them were killed, through firing
- 137 squad.
- 138 PN: OK.
- 139 Interviewee: Yes. At that time we were in Jam., some people were in NSITU, some people were
- 140 in JEBELAIN but me
- 141 PN: Hmm ... hmm.
- 142 Interviewee: ... I was sick, due to ... as I told you yesterday.
- 143 **PN**: Hmm ... hmm.

ICC Restricted

- 144 Interviewee: Eh that poison which, the poison me with ... by the time when I was in Holy Rosary
- 145 schooling. So I was there during ... within those sick people.
- 146 PN: OK.
- 147 Interviewee: Sick bay in NSITU. And my arm also started to disturb me.
- 148 **PN**: Hmm ... hmm.
- 149 Interviewee: So, by the time when I advised him, I went to him, I ... then I start referring about ...
- 150 ah ... because at that period, many, many soldiers are dying of hunger; those abductees. KONY
- 151 gave an order that. "Let those who those ... those abductees to die because civilians now they
- 152 are his first enemy.
- 153 PN: Hmm.
- 154 Interviewee: Yes. Diarrhoea was there, a lot of ... problems, but there was a lot of food, which
- 155 was brought by Arabs during that period, so I went to him. I said, "If you are a person of God, God
- 156 will punish you because you are the one who abducted us, we are fighting the reason we don't
- 157 know, so you are now mistreating people, you don't take care of us. So, if you are a person of
- 158 God, God will organise troops from Uganda, combined force, it'll come and destroy you from your
- 159 camp in LUBANGA-TEK, if you are a person of God. Because by the time I was in Holy Rosary I
- 160 was a ... I was taking a Misa, so I know about God, through Bible. Like, by the time when ... ah ...
- 161 those of Jerusalem in the past, they have been doing bad things, so God organised Kabaka
- 162 Nebuchadnezzar, went to Jerusalem and destroyed those of Jerusalem and captured the top
- 163 commanders, so Nebuchadnezzar went with those people. So the same thing will happen to you.
- 164 because you are mistreating people." This is what I told to ... BONGOMIN Genaro; he is the
- 165 Religious Affairs; Head of Religious Affairs, So, I said, "You go and tell to KONY, God will punish
- 166 him."
- 167 CC: Who ... what was the name of the person who was the Head of the Religious Affairs?
- 168 Interviewee: Gena... Genaro BONGOMIN. It is ... he is a Lieutenant Colonel.
- 169 **CC**: OK.
- 170 Interviewee: This information if you ask any ex-LRA, they knows about this information I'm telling
- 171 you.
- 172 PN: OK.
- 173 Interviewee: Yes. So, I said, "You go and tell to KONY. He will ... he will be punished by God
- 174 because now, he is now killing innocent people, like me Hillary. He gave an order that I should be
- 175 killed. Because at that time, he took me, Captain Hillary, Captain Ray, Captain Elia ... ah ...
- 176 Captain Hillary, Captain Ray and Captain Lu... Lubul. Because we are advising that, he has, the
- 177 spirits have left KONY now. So, it is better to talk peace. This war cannot bring anything. So, he
- 178 gave an order that we should be killed. So, we were taken to ... hmm ... military Headquarters.
- 179 CC: When was this ... when was ... where ... which year we are in or when?

iCC Restricted

- 180 Interviewee: in 2001, 2001. So, with such two information he arrested me, he said to take us to
- 181 military and se... selected four hundred forces that they should escort we the three force ... Oh
- 182 yes, plus Major ACHAMA.
- 183 **PN**: Hmm ... hmm.
- 184 Interviewee: Yes, should bring us along the border and the same thing happened to LAGONY
- 185 should be done to ... on us.
- 186 **PN**: Hmm ... hmm.
- 187 Interviewee: Yes. He demoted me from captain to private, he demoted captain Elia from captain
- 188 to private, he demoted captain Lubul from captain to private, he demoted Major ACHAMA from
- 189 captain to private.
- 190 PN: Hmm ... hmm.
- 19] Interviewee: So, I knelt down and I start praying. Ah! My God, what did I have done in front of
- 192 you, because I went and advise KONY so you ... you ... you make KONY annoyed to kill me.
- 193 God, if you are the one who created Satan so KONY will kill me but if the Satan was ... were ...
- was created by you KONY will not kill me. I prayed in front of those who we were there with them.
- 195 with ... KONY gave an order we should be killed along the border. So, a wind starts blowing from
- 196 the East, from the West, from the North and from the South [imitates sound of wind]. These all
- 197 corners [imitates sound of wind].
- 198 PN: Yes?
- 199 Interviewee: After my prayer. So, I disappeared.
- 200 PN: OK.
- 201 Interviewee: Yes.
- 202 PN: Yes
- 203 Interviewee: Then, they were stranded. Where is Hillary, where is Hillary? What I am telling you,
- this is the true even, if you ask ... if you ask any ex-LRA, they know this thing.
- 203 PN: Hmm ... hmm.
- 206 Interviewee: Yes. So, by the time when I was disappeared they started looking where I am ... I
- 207 was. So, the day for our killing was postponed. The day to kill us. I just went and I pray God, and I
- 208 pray God. KONY want to kill me innocently. Moreover I went and advised KONY how can KONY
- 209 kill me? My God, you excuse me because people are now dying innocently. So, uhm ... and the
- 210 following day, I volunteered myself to come and advise them. So by the time when I return back
- 211 to them; because I was very weak, I can not walk even any far. Yes. So, I decided to come back,
- 212 then due to my beliefs, a spirit told me, I prayed and, with ... I have strong heart so, I get courage
- 213 that I should go and talk to KONY direct.

- 214 **PN**: Hmm ... hmm.
- 215 Interviewee: Sc. I came back. At that time TABULEY was the Operations Commander;
- 216 TABULEY which was killed in TESO.
- 217 **CC:** Hmm ... hmm.
- 218 Interviewee: OKELLO Trigger also was a Director of Operations together with TABULEY.
- 219 CC: Wait, who was director of operations with TABULEY?
- 220 Interviewee: What?
- 221 CC: Who was also director of operation with TABULEY?
- 222 Interviewee: OKELLO Trigger.
- 223 CC: OK.
- 224 Interviewee: Trigger. Then by the time when I reached them, and I start talking, I said, "I am a
- person of God because by the time when I was there in Holy Rosary, I'd been in praying so much
- 226 so God is now with me. You want to kill me innocently, you want to kill this fellow commander
- innocently, God will punish you, all of you to this top commander which you are now, following the
- 228 wrong orders of KONY. So God will compline, will give combine force, will organise combine
- 229 force, come from Uganda and destroy you from your base."
- 230 PN: Hmm ... hmm.
- 231 Interviewee: This is what I told to them.
- 232 PN: Hmm....bmm.
- 233 Interviewee: "God will destroy you and will not be with any base at all, you KONY." And some
- 234 people they said, "Hillary should be killed, Hillary is a mad person." And I said, "You can not kill-
- 235 me, because you are killing innocent people, how can God accept ... ac ... accept you to kill me?"
- 236 So, they took me back to military and I said the night will come by me. So, with other advice of
- 237 some other commanders ... because the serious commanders in LRA, those of ... at that moment
- 238 Matata was there, he gave an order that I should be killed; Matata ...
- 239 **PN**: Hrnm ... hmm.
- 240 Interviewee: ... which was killed by the by the HIV and AIDS. Who died of HIV and AIDS.
- 241 ABUDEMA, Buk, also give an order that I should be killed, because I'm cursing people. Hmm ...
- 242 hmm ... Odhiambo also was there, that I should be killed during my return. So ...
- 243 PN: Hmm ... hmm.
- 244 Interviewee: So, at that moment, some people ... some other top commanders they ... they
- 245 advised him not to kill us. So, they released us.

246		

- 247 Interviewee: But he took all of the sol... the soldiers from ... from us and because at that time we
- 248 dug in NSITU. We dug in NSITU. So, he said that, "I should not reach to reach NSITU to get
- 249 my ... hmm ... hmm ... let me say, foodstuff."
- 250 **CC**: Hmm ... hmm.
- 251 Interviewee: If I reach there I should face firing squad. I should stay without eating anything and
- 252 my children.
- 253 **CC:** Hmm ... hmm.
- 254 Interviewee: Yes. I'm telling you frankly.
- 255 PN: Hmm ... hmm.
- 256 Interviewee: So I just stay like this ... like that throughout, without eating. My women can go
- 257 to ...the bush they just pick something which can be eaten. They just taste and they bring and
- 258 cock it to ... to my children. We just stayed like that, started from 2001 ... from 2000. No food. No
- any soldier. I don't have any ... any soldier, we just stayed like that. Some people they just came
- 260 from around the border they pick food from the civilians and they went with. Yes. But with me, no
- anybody, even I was weak. So, that is how I was suffering. I suffered really, even if my wife, she
- 262 is there in GULU, she is there. If she were to be here would have tell you something. So with
- 263 KONY, KONY gave an order that, "Those who doesn't want, to commit atrocities like Hillary, they
- are UPDF. You, my top commanders, you should have to know. Those who doesn't want ... don't
- 265 want to commit atrocities ... they are your enemies because they want their conduct to be good, if
- they surrender to the UPDF. Like those of Hillary." He said, "You kill Hillary." This is the order of
- 267 KONY. So, in that period, all of the LRA, they said that I'm ... Internal enemy.
- 268 PN: Hmm ... hmm.
- 269 Interviewee: Yes. Then with that one, again, KONY gave an order to kill Major ONEKOMON
- 270 which is now here in UPDF.
- 271 **CC**: He gave an order to kill who ... who?
- 272 Interviewee: Major ONEKOMON. He's now surrendered to the UPDF. So, I wrote four sheets of
- 273 paper I gave to his ADC, KAPERE, who is now a Brigade Commander. And again I said, "God
- 274 will punish KONY if he is fond of killing his own forces like that and killing innocent civilian."
- 275 PN: Hmm ... hmm.
- 276 Interviewee: So some of his top Commander, then said, "Hillary should be killed, Hillary is fond
- 277 of supporting those who don't want us to ... to commit atrocities. Hillary is a bad man, anyway he
- should be killed." So he took a vehicle [imitates] up to JUBA. Due to ... during that advice, he ran
- 279 to JUBA, KONY.
- 280 CC: KONY?

ICC Restricted

- 281 Interviewee: Yes, KONY, yes. He did not answer those ... uh ... such co... eh ... he did not tell
- anything about the advice of those commanders. So he ran to JUBA, he stayed Juba ... aa ... for
- 283 three and a half hour, he just came back. And he said that, "Huh ... don't kill Hillary, let Hillary
- 284 be." So, and he sat down with his top ... senior commanders. He said that, "I want to did a very,
- 285 very serious things which, even the foreigners countries, they will be worried about." So, he gave
- 286 an order to lui... Major, Major, top ... let me see [sighs]. He gave an order that should go to
- 287 ABOKE and abduct ABOKE girls. And he said that, "If you abduct those of ABOKE girls ... even
- 288 the foreigners countries, they will be worried about. So, I want to did something very, very
- 289 serious." So, he prepared the forces to go to ABOKE. Yes, they abducted ABOKE girls and bring
- 290 it. By the time when they took it there to Sudan, he just started to distribute it, to ... to ... he just
- 291 [witness refers to interpreter]. Yes, yes, I don't know if you should call it distributions, taking lady
- 292 to each senior commander.
- 293 **CC:** This after he took the ABOKE girls.
- 294 Interviewee: Yes.
- 295 CC: OK, he distributed them.
- 296 Interviewee: Yes. Four was left at his ... four ... he left four. He picks four to be his wife.
- 297 **PN**: Hmm ... hmm.
- 298 Interviewee: And some were distributed among the senior co... his top commanders with whom
- 299 were there in the Control Altar.
- 300 **PN**: Hmm ... hmm.
- 301 Interviewee: Yes, And he said that, "Even if European Union or what if they come here about
- 302 these ABOKE girls, we should not talk anything about. If anybody who release a detail, even if to
- 303 European Union or ... uh ... to US Ambassador, that person should be killed straight away." He
- gave an order, all of the LRA who were there in Sudan. So, some ... I don't know that ... lacies
- 305 which sent there. Jo ma kicwalo gi kwica, i NSITU ni?
- 306 Interpreter: Man anyira ni?
- 307 Interviewee: Ma gucwalo gi i Sudan pi lok kom anvira ABOKE ni, that sister, I don't know his
- 308 name.
- 309 Interpreter: Himm ... there were some people who were sent to Sudan ... uh ... Sisters, sent to
- 310 look for the girls in Sudan.
- 311 Interviewee: Yes, I've forgotten, I've forgotten the names.
- 312 PN: OK.
- 313 Interviewee: Yes. But when they went there, KONY gave an order again, addressed people.
- 314 That if any of LRA release any information about these foreigners should be killed. That person
- 315 which releases some information about the ABOKE girls should be killed, straight away.

- 319 Interviewee: So, by the time when those guys went there, first of all they entered in NSITU but

- 362 CC: Were named?
- 363 Interviewee: "Ting, Ting".
- 364 CC: And that means what?
- 365 Interviewee: It's just a nick name.
- 366 CC: Nick name?
- 367 Interviewee: A nick name by the way.
- 368 CC: OK.
- 369 Interviewee: Yes, small ladies. They should help carrying the children; take care of children,
- 370 these young babies. So, not only that, the reason why we have lasted for so long in the bush
- 371 because, if KONY, KONY abducted you, he said that if you escaped, he just send a troop and
- destroy all ... all of your family.
- 373 PN: Hmm ... hmm.

- 374 Interviewee: At the same period he gave an order that all of the civilian vehicles should be
- 375 ambushed.
- 376 PN: Hrom ... hrom.
- 377 Interviewee: Because civilians are his first enemies. Yes, with ABOKE girls, was ... was ... um ...
- 378 was abducted by ... under Commander LAGIRA, but is now is ... is... he ... he de... he is ... he
- 379 loose his life now. Yes, he was killed, in JEBELAIN, LAGIRA, Major LAGIRA. So with that period
- 380 he gave an order that all of the civilians, I mean the rural areas should be destroyed and people
- 381 should be taken to IDP Camp. So, he started, he gave an order in that period killing innocent
- 382 civilian, killing the old men, older ... hmm ... the old men plus the women should be killed. So, the
- 383 destruction started in 2001, two thousand ... yes, 2001 but during that period I was weak, was
- 384 staying with ... among the sick people, I did not in operations.
- 385 PN: Hmm ... hmm.
- 386 CC: Were ... were there places that were attacked under this policy?
- 387 Interpreter: Tye kabedo mogo ma ingeyo ma ki gine ... kimonyo mony iye icik ma kiti ene ni?
- 388 Interviewee: In that period I did not reach operation.
- 389 CC: OK.
- 390 Interviewee: Because I was weak. Because me I stopped operation in 1987, started from 1988 I
- 391 was weak, did not have operations up to now. So, destruction started at that period.
- 392 And not only that, I went to him, "That you, a big man, you should talk peace with the
- 393 government, because this war will not bring anything." And he said that, "Hillary is now fearing
- 394 war, Hillary can not fight, so Hillary should be killed again. Hillary doesn't want to commit
- 395 atrocities." Hmm ... I went to Brigadier BANYA that we should talk peace. And with that period he
- 396 took BANYA from office, because at that moment BANYA was Camp Commandant. Brigadier
- 397 Ken... Kenneth BANYA, who are now here, he is ... he is now here. So, at that period he said
- 398 that, "Ah ... Brigadier BANYA should be pending officer ... officer with me, Hillary, Ray, many

- 400 not come out.
- 401 **PN**: Hmm ... hmm.
- 402 Interviewee: Under Amnesty Law he will have come out. And we have: the ICC, he said that how
- 403 will the ICC ... huh ... trace him moreover he is in the bush.
- 404 CC: When he said, who said that?
- 405 Interviewee: KONY.
- 406 CC: KONY said ...

- 411 said ... he put himself to that he is a god.
- 412 PN: Hmm ... hmm.
- 413 Interviewee: Yes. So, he said that no one can have the power to advise god. But who am I to
- 414 advise him? So, in that period he said that all of the LRA, they should know that I'm the first
- 415 enemy than the President MUSEVENI. He said that Hillary is the first enemy. What I'm telling
- 416 even if you ask, you ask any of ex-LRA, they know these things very much. He said that, I'm
- 417 telling him to, I'm forcing him to talk peace. He himself he will fight until he overthrow the
- 418 government and he will kill all of the ... the Acholi people. He will remain with the Acholi people
- 419 which ... who are there with him.
- 420 PN: Hmm ... hmm.
- 421 Interviewee: He said that that one is a new Acholi, those were there with him in the bush. So, not
- 422 only that, at that period he gave an order that Sudan government should be attacked also. So he
- 423 starts attacking.
- 424 PN: Hmm ... hmm.
- 425 Interviewee: During 2002, attacking the Arabs.
- 426 CC: When you use the word, when you say that is the Arabs, are you talking about the
- 427 Sudanese?
- 428 Interviewee: Sudanese ... Sudanese force. So, he said that Sudanese force they are now ... they
- 429 were our enemies because they have joined with the Uganda government to light him, KONY.
- 430 So, he sent three troops, one troop under command of OTTI Vincent attack NSITU.
- 431 PN: Hmm ... hmm.
- 432 Interviewee: Another troop under command of Brigadier OWOR LAKATI, attack another defence

- 445 CC: And he was sent where?
- 446 Interviewee: Another defence, close to NSITU.
- 447 CC: OK.
- 448 Interviewee: Yes, close to NSITU. And another group under command of KONY himself attacked
- another place, the same day at night. Yes, this is the first time started to fighting the Arabs. So,
- 450 we left LUBANGATEK, we left NSITU, all us we start coming back to Uganda. Yes, by the time
- 451 we reached the border, we met UPDF force and we were driven back, heavy force. We met them,
- 452 they kill one of Signaller, director of Signals called Lieutenant Colonel LUMUMBA, was killed.
- 453 CC: LUMUMBA
- 454 Interviewee: LUMUBA, the Director of Signal.
- 455 CC: Director your Signals?
- 456 Interviewee: Yes. So we went back to Sudan. But those of OTTI entered during 2002.
- 457 PN: Hmm ... hmm.
- 458 Interviewee: Yes. Then KONY gave an order that OTTI should kill everybody from the camp,
- 459 from the rural areas.
- 460 PN: Hmm ... hmm.
- 461 Interviewee: So, OTTI Vincent start committing atrocities during that period. So, we were driven

- 463 come. So he said that, "Those who are weak like Hillary, Elia, what, they should go back to

- 475 the UPDF, completely. So, in that period started giving an order to destroy people, killing civilians,
- 476 putting an ambush, destroying civilians vehicles, what, and what he said that ... the ... rural areas
- 477 should remain for LRA. All of the civilians they should come with ... uh ... within the town because
- 478 they are his first enemy.
- 479 PN: Hmm ... hmm.
- 480 Interviewee: And those who refused to commit atrocities were killed also. If you refuse, if he

- 482 **PN**: Horm ... horm.
- Interviewee: Yes, So ... hmm ... such thing started to happen but for me I just stay in the sick

- 486 to gave an order to OKOT ODHIAMBO to destroy camp in BARLONYO.
- 487 CC: Who gave the order?
- 488 Interviewee: KONY himself. Let me see; and, all of these destructions by the order of KONY.
- 489 apart from WIYA-NONO camp. WIYA-NONO camp was ordered by OTTI Vincent; destruction in

- 513 **PN**: Hmm ... hmm.
- 514 Interviewee: And during that period, I start mobilizing people. That's why ... uh ... the army

- 516 uh ... KONY has nothing now, so it is better to go to the UPDF. So, because with ... those who

- 571 **PN**: Hmm ... hmm.

- 574 sitting ... euh ... sat like this and some of his top officers, brigade officers they were there;
- 575 because communications, during the heavy pressure of the gunship, KONY changed ... KONY
- 576 changed the time of communications. The communications always started from 6:00 p.m. So
- 577 this ... because in the day time they just fear the helicopter gunship.
- 578 **PN**: Hmm ... hmm.
- 579 Interviewee: So, they, he starts communicating to Dominic.
- 580 PN: Hmm ... hmm.
- 581 Interviewee: That Unita also should be arrested; because by the time when I sent Unita to

- 583 **PN**: Hmm ... hmm.
- 584 Interviewee: Because Hill... Hillary is now mobilizing people to, to go with them and surrender to

- 592 eh... the commander which doesn't want to fight. So, you give him, you give Hillary to the
- 593 civilians." This is propaganda of him. "Like I released LAGONY, by the time when I released
- 594 LAGONY, the UPDF killed LAGONY so if UPDF kill Hillary, no problem. You release him." You
- see, so Dominic started reducing the volume of the radio. So, I stand up, like this, because I
- refused the veteran to carry my ... my guns.
- 597 PN: Hmm ... hmm.
- 598 Interviewee: So, I stand up like this and took the gun; my gun, I tied it like this, then I took my

- 600 to my ... my position". So, I start going to my position and I got my wife then I say that. "Now,
- 601 KONY wants to kill me like I last time I said, I told some people that we should go to the UPDF, so
- they released such information so I am going now." Sc. Dominic starts preparing the forces. You

- 604 God if you pra... you shoot him directly, some time the bullets dodge and kill some of you, so use

- 606 **PN**: Hmm ... hmm.
- 607 Interviewee: So, the rain comes. Rain: (Witness makes imitates sound of wind). All of people

- 617 PN: Hmm ... hmm.
- 618 Interviewee: Yes. So, the woman can not walk, because there was no any food but some
- 619 people, they don't, they just, all of them they're out of the food. So, I said that "Ah, God should

- 621 **PN**: Hmm ... hmm.
- 622 **Interviewee:** Yes, because some people they refused to come, than they release the information.
- 623 That's why Army Commanders called me "mobilizer, mobilizer", because they hearing from the

- 631 **PN**: Hmm... hmm.
- 632 Interviewee: So the brigade commander starts to asking me, "Oh Hillary, we heard about you,
- 633 through radio communication, that KONY gave an order that Hillary is now, want to escape with

- 635 uh ... you are the one who ... let the UPDF go and attack him in Sudan there because you are

- 637 refused. You see, during the talk the ... eh ... the ... during that ... during the Talk Peace ... by the
- 638 time when we were talking the Peace, UPDF sent ... hmm ... this commander; I don't know his

- 645 Interviewee: ... hmm ... that one; two thousand ... may be 2003, yes.... 2003, if I could have

- 648 So, they ...
- 649 Interpreter: The chief ...
- 650 Interviewee: Yes, OYWAK escaped narrowly. Raska also was about to kill OYWAK, so he kill

- 653 PN: Hmm ... hmm.
- 654 Interviewee: ... joined KONY and they went to Sudan but I never went.
- 655 PN: Hmm ... hmm.
- 656 Interviewee: So KONY gave and order that OPOKA should be killed in Sudan as I heard from
- 657 those who came from Sudan. So, KONY ... so OPOKA also was killed in Sudan, but I was not

- 667 PN: OK.
- 668 Interviewee: Through out the year, with my children, with my women. This is ... that's way I
