**Subject:** Update regarding witness KEN-0743

Dear colleagues,

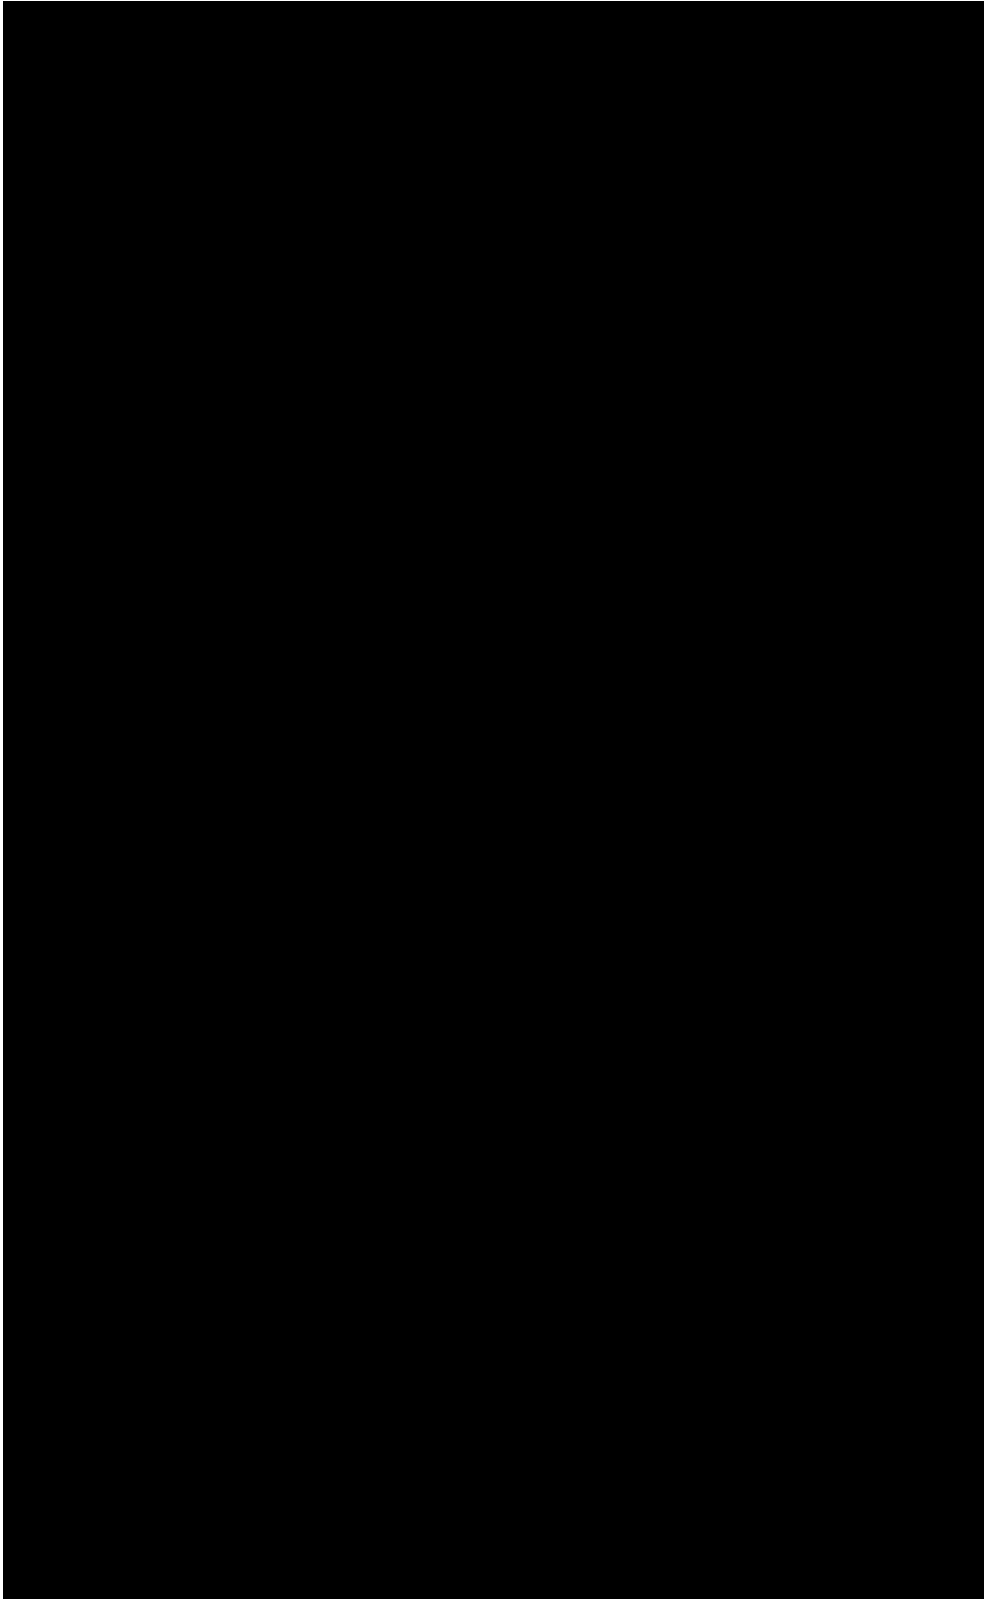

Please find below some updates about the situation of witness KEN-0743 for the full information of the Chamber and upon the Chamber's previous request to get updated information about his situation.

**I. Background of the case**

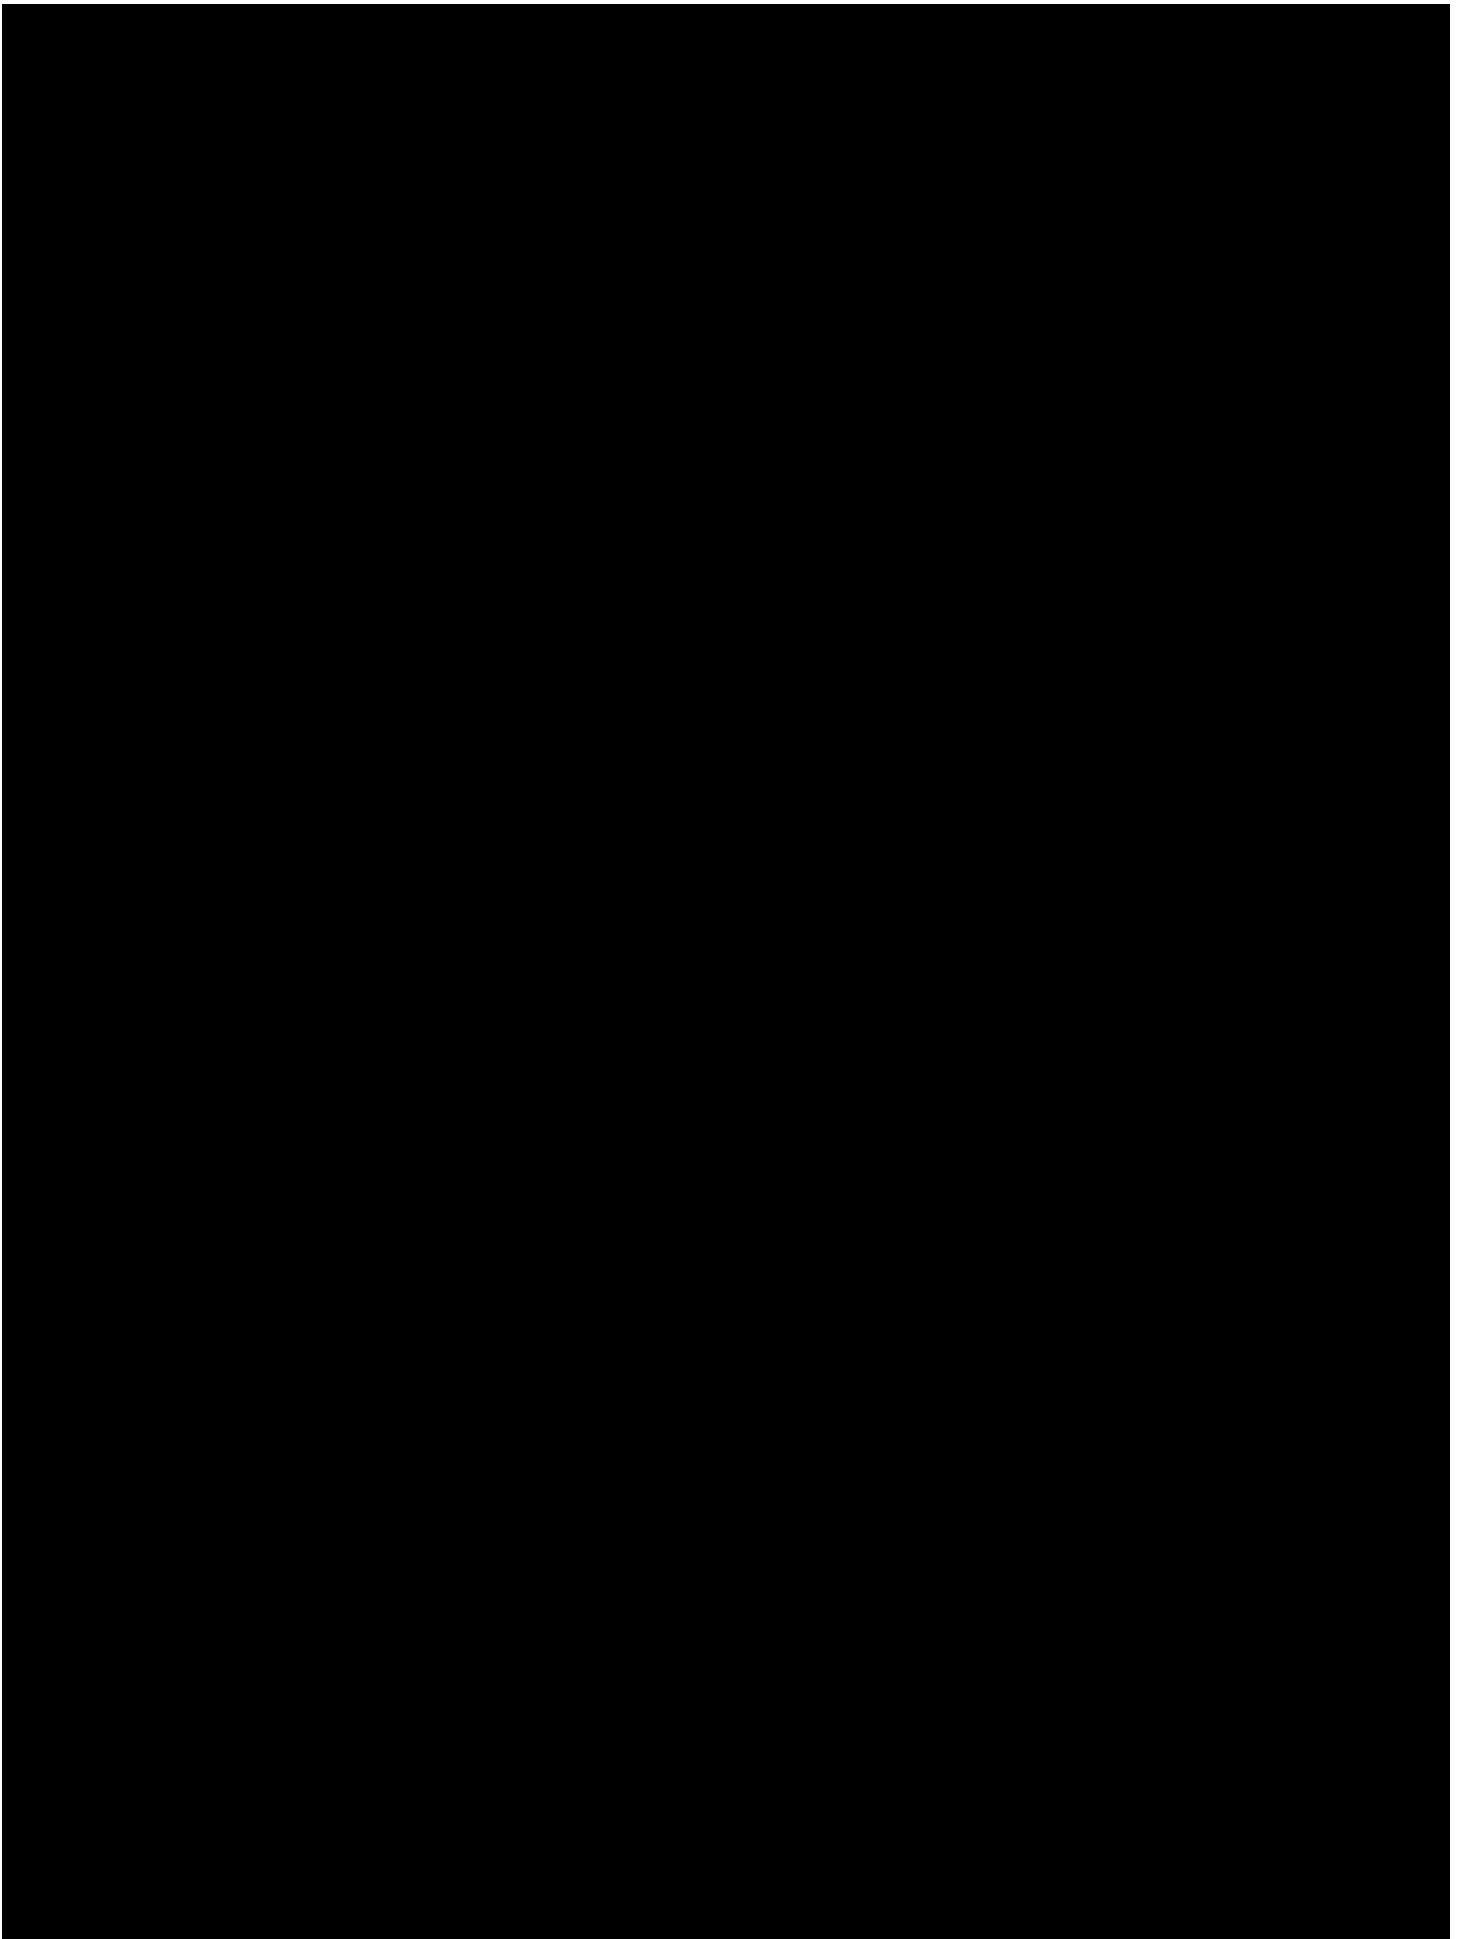

[REDACTED]

During his appearance before the Court on 23 March 2022, the witness reported a security issue to the Chamber. The following is the excerpt of the exchange between the witness, the Prosecution, and the Presiding judge:

**II. Measures taken by the VWU following the testimony of the witness**

Kind regards,

IO
