Subject: Clarification regarding Alternate Judge

Dear Parties and participants,

The Chamber has taken note of the 'Decision assigning judges to divisions and recomposing Chambers' filed by the Presidency (ICC-01/14-01/21-720).

The Chamber notes that the Presidency has appointed Judge Keebong Paek as alternate judge for the trial.

Following consultation with the Presidency, the Chamber wishes to clarify for the Parties and participants that Judge Paek will not assume his functions as an alternate judge until he enters full time service (19 August 2024).

Accordingly, the Parties and participants should not include Judge Paek on the cover page of any filing until he assumes full time service.

Kind regards,
Trial Chamber VI
