Urgent

opportunity. [Signed: the Minister]

Seen on 16/12/2014 To be referred to the Chief of the Judicial Police to examine the request and inform the Attorney-General accordingly at the earliest To: Chief of the Judicial Police

In reference to Case № 630/2012/al-Madinah against the Accused Saif al-Islam Muammar Gaddafi and in relation to which he has not been brought to the seat of the Court for a number of the hearings in question, the last one having been on 14/12/2014; furthermore, the Telecommunications Company failed to establish a connection, through a closed-circuit system, between the location where the accused was being held and the courtroom. Given that this matter delays proceeding with a decision on the case and the negative impact it may have on the Accused and everyone else, as well as on the reputation of the Libyan judiciary, both at home and abroad;

On that basis,

You are hereby requested to take all necessary measures to transfer the Accused, Saif al-Islam Muammar Gaddafi, from the Zintan Correction and Rehabilitation Institute, where he is currently being held, to the al-Hadhaba Correction and Rehabilitation Institute, where the Court's proceedings shall take place to enable him to present his statements and requests before the Court and thereby allowing for a decision to be made in relation to this case.

Please accept the assurances of our highest esteem.
