Dear Registry,

The Single Judge considers that the Chamber would be best assisted by receiving up-to-date submissions which take the latest information from Medical Services into account. Noting that further clarifications from Medical Services are expected today, the request for extension for the Registry's submissions until 17 June 2020 is therefore granted.

Kind regards, TC V

Dear TCV,

Considering regulation 24bis of the Regulations of the Court, the Registry respectfully requests the Chamber to consider granting the Registry an extension of the below deadline until Wednesday 17 June 2020 CoB, for its submission in relation to the Defence Request to Grant Privileged Status to Medical Expert and to Allow In-Person Visits'.

At present certain COVID-19 related measures remain in place in the Host Prison and the ICC Detention Centre. These measures relate to, *inter alia*, in-person visits. However the Registry is expecting to receive clarification from the Medical Services of the ICC Detention Centre today in relation to these measures for the coming period.

Consequently, and upon receipt of the said clarification, the Registry would be in a better position to properly address the relevant matters raised by the Defence no later than Wednesday 17 June 2020 CoB. The Registry realizes the short notice of this request and presents its apologies to the Chamber and the Defence team.

The Registry is most grateful to the Chamber for its consideration of this request.

Kind regards,
 [REDACTED]
