Subject: Prosecution Request ICC-01/14-01/18-706-Conf-Exp

Dear Counsel,

The Single Judge notes that no confidential redacted version of Request ICC-01/14-01/18-706-Conf-Exp (the 'Request') has yet been filed. In order to enable the Defence to respond to the Request, the Prosecution is instructed to file a confidential redacted version thereof by Monday, 9 November 2020.

The Single Judge further recalls its previous direction for the Prosecution to disclose the material underlying the Request by 9 November 2020 (*see* Decision ICC-01/14-01/18-589, paras 8, 10). In this regard, the Single Judge notes that the absence of a confidential redacted version of the Request has prevented the Defence from responding to, and the Chamber from deciding on, the Request prior to the disclosure deadline of 9 November. The Chamber regrets the Prosecution's failure to request an extension of time in these circumstances.

Pending the Chamber's final decision on the matter, the Prosecution is ordered to disclose the material subject to the Request with the non-standard redactions it seeks to apply, by 9 November 2020.

Kind regards, TC V
