Subject: Prosecution Request ICC-01/14-01/18-715-Conf

Dear all,

The Single Judge takes note of the Prosecution's Request ICC-01/14-01/18-715-Conf. The Prosecution requests an extension of time under Regulation 35 of the Regulations of the Court to disclose and to add to its List of Evidence: (i) transcripts and translations of seven speeches by YAKITE; and (ii) transcripts and translations relating to 36 audio visual materials. Moreover, the Prosecution informs the Chamber that it expects to receive further evidentiary material from 'several timely submitted' Requests for Assistance to States Parties, and might seek the addition of this material to the List of Evidence past the applicable deadline.

The Single Judge recalls that the Prosecution's disclosure deadline and the deadline for the filing of its List of Evidence is on Monday, 9 November 2020.

In light of the fact that this Request was filed only one working day before this deadline, the Single Judge sees no other way than suspending it with respect to the materials that are subject to the Request, until the Chamber rules on the matter.

Responses to the Request are to be submitted by 10 November 2020 COB.

Kind regards, TC V
