Subject: Authorisation for re-disclosure

Dear Trial Chamber V,

The Prosecution requests authorisation to re-disclose to the Defence three documents with updated redactions: CAR-OTP-2018-0617; CAR-OTP-2020-0352 and CAR-OTP-2023-0768. Specifically, the Prosecution asks the Chamber to instruct CMS to restrict access to the original versions of these three documents.

On 9 October 2020, the Prosecution informed the Parties and Participants of the inadvertent disclosure of material in the three documents. The material contained sensitive details of the ongoing Seleka investigation, and was since included in the Prosecution's Request for Non-Standard Redactions to Call Data Records Relating to Seleka Investigation (ICC-01/14-01/18-714-Conf-Red "Request").

The Prosecution now intends to re-disclose corrected versions of the three documents to supersede the versions previously disclosed. In addition to the non-standard redactions applied to each document (in line with the Request), standard redactions are also to be applied to one document (CAR-OTP-2018-0617) and standard redactions are to be lifted in another (CAR-OTP-2020-0352). It is submitted that this re-disclosure is necessary to provide the Defence with the latest versions of these documents, as put forward by the Prosecution in its Request, and accordingly assist them in responding to that Request.

Thank you for your kind attention to this matter.

Kind regards,

On behalf of
Kweku Vanderpuye
