Subject: RE: OTP request for short extension of today's filing deadline

Dear counsel,

In light of the limited extension requested, the Single Judge considers that good cause exists to grant the request.

In this instance, the Single Judge did not consider it necessary to invite the Defence to respond before deciding on the request. Nonetheless, the Prosecution is reminded to copy the participants on its email requests in the future.

Kind regards, TC V

Subject: OTP request for short extension of today's filing deadline

Dear Trial Chamber V,
Dear All,

The Prosecution has been instructed to file its request for in-court protective measures today. As a result of some internal difficulties, it appears that the Prosecution may not be able to meet the 16.00 deadline and that a very short, limited extension of two hours would allow the proper finalisation of the filing and its annex. Accordingly, the Prosecution seeks the Chamber's permission to submit its filing by 18.00, and that this email be considered *in lieu* of a formal request.

The Prosecution appreciates the Chamber's consideration, and remains at its disposal should any additional information be required. We otherwise await the Chamber's considered determination. Thank you.

Kind regards,

On behalf of
Kweku Vanderpuye
